It is hereby informed that RIAS A/S today has purchased all the shares in Nordisk Plast A/S.

Nordisk Plast A/S is – just like RIAS A/S – a supplier of plastic semi-manufactures to industry and other processing. Nordisk Plast A/S is a well-run company with a positive development.

Nordisk Plast A/S is presently situated in Auning, but will later this year move to new warehouse facilities and office buildings in Auning outside Randers.

The managing director of Nordisk Plast A/S, Mr. Erik Busk Jensen, will continue as managing director for the company, which will continue as an independent company.

The purchase of Nordisk Plast A/S is made to strengthen the position in Denmark and to open up for further expansion in Scandinavia.

Due to the similarity between the two companies RIAS A/S expect to profit from potential synergy effects.

The purchase is expected to positively influence the result for RIAS A/S in the accounting year 2007/2008 by DKK 2 millions, whereby RIAS A/S now expect a profit before tax of DKK 18.5 – 19.5 millions against the previously announced DKK 16.5 – 17.5 millions.
